Elopement Deal

A wedding is a wonderful time, and an elopement is no exception.

If you want only the two witnesses and yourselves, a celebrant and a photographer then all your friends and relatives can see your wonderful photos after the wedding and on facebook.(See prices below).

OR

If you want a small amount of select friends and relatives we also allow that in an Elopement Deal.

The small wedding allows 6 guests to attend

It also includes the Venue with glorious views for photos or if Silver Ridge not available the Elopement can be done at a park. (the price will be reduced if that occurs)

A celebrant is included in the price for this deal

The photographer is not included in the price shown for the elopement deal However, there is a photographer who will give a good price to do the photos for an elopement . We are happy to give couples his contact details and his price of \$175 for an hour can be paid directly to him and he can discuss with the couple what he provides.

He will give the couple all the photos in low resolution, but then charge them (still a low amount) for any photos they would like in high resolution for a wall print etc., that way you are still getting a good deal and can opt to pay for some extra photos done up if you would like that, which will cover the photographers time in editing them..

The photographer price will still be amazing.

If decorations or chairs for guests are required if at Silver Ridge wedding venue there is a Styling labour price (very economical)

plus extra hire decorations can be added at very reasonable cost.

The time frame allowed is up to one hour..This gives plenty of time for the ceremony plus photos to follow. If no other wedding follows: some extra time can be allowed for photos.

The legal paper must be filled in, signed & with Celebrant no later than one month before the wedding
