One couple mentioned they had enquired at another venue not far from Silver Ridge and to hire the venue only for the ceremony and reception area was to be \$17,000 that didn't include celebrant, styling, chairs, decorations, food etc. It was just the hire of the venue.

We only take bookings for elopements in 2026 no more than four months prior to a wedding date.

To book a date a non refundable deposit of \$400 is paid and the date is then locked in.

Review below from Neil and Lawarnie married 6th Decemebr 2025

On the 6th of December 2025 my husband and myself got married at the absolutely stunning silver ridge weddings. Right from the very beginning to the very end Joan was absolutely amazing and gave me the wedding of my dreams at a affordable price. Everyone had a absolutely amazing time and couldn't get over how wonderful of a job she did. Jeff was a beautiful man and also did a wonderful job making sure the venue looked stunning for our special day.

We had the amazing Christine as our celebrant who did a spectacular job she was supportive and kind before and on the wedding day, her husband Gordon was an absolute gentleman and checked in on us both on our big day as well as even teaching Neil how to tie his tie.

We Can 100% recommend Joan and Jeff for your special day at their beautiful property Silver Ridge

We had our ceremony at Silver Ridge. Joan was wonderful to deal with and it was an absolute pleasure working with her to get our ceremony perfect!

Although it rained our entire wedding day and we weren't able to have the ceremony in Joan's lovely garden and outdoor gazebo, Joan set up the covered/wet weather area wonderfully and it look gorgeous!

I highly recommend Joan and Silver Ridge Weddings!

Review from Wayne and Kellie Wedding 28th Nov

Dear Joan Thanks for making everything so easy, enjoyable and stress free for our wedding day. ALL the photos turned out brilliantly so we both were very happy. We have done three versions of differing lengths for you to use for your socials etc., and they are as follows: Review:= My partner and I were recently married at the beautiful Silver Ridge Ceremony Venue in Toowoomba, Queensland, and we could not be happier with our experience. We chose the Elopement Package, which was very competitively priced, and from the very first moment we arrived, everything exceeded our expectations. Joan, who owns the venue and was also our celebrant, was incredibly professional, warm, and attentive. She accommodated every request we had, guided us effortlessly through the process, and made us feel completely at ease. As it was just the two of us, we needed witnesses — not a problem at all. Joan kindly arranged for two witnesses to step in, and they made the moment feel genuinely special. The setting itself is stunning, with sweeping views over Table Top and the Toowoomba Range providing a breathtaking backdrop for our ceremony. As we had not hired a photographer, Joan generously offered to take photos for us. The care, thoughtfulness, and attention she put into capturing our day were extraordinary. The photos turned out beautifully, and we are so grateful to have them to remember our elopement. Our wedding day was stress-free, intimate, and unforgettable — entirely thanks to Joan and the magic of Silver Ridge. We have absolutely no hesitation in recommending Joan and the Silver Ridge Wedding Venue to anyone considering an elopement. It was perfect in every way.

Silver Ridge has another celebrant who does most of the weddings at Silver Ridge and she is wonderful also..

The glorious views at Silver Ridge Venue and the beautiful decorating and easy to get on celebrant makes for a perfect day.;
